Corn Cob Club formed.

A new club has been formed among the lads in 491. Not an officail one, but still a very good club.

The name is the CCC club, or CornCobClub. To belong to it, and reserve the benefits of it; you must smoke a corn cob pipe.

It all started when the EA came into camp last night with a special Missouri Meerscham pipe. By ten this morning the club had jumped to eight members, all sporting pipes. Ike Pullens, John I, Shaver, Walker, Pritchard, Pate, Dawson and so far the members, with a host more to join.

491'S FIGHTING LADS OF THE GRID* IRON TAKE JEWELL TOWN TEAM 39-26.

In a game replete with many thrills and well played by both teams the lads from 491, assisted ably by Coach Adams of the WHS, Kindred and Al Norbeck, ex-high school players; smothered the Jewell Town team on Jewell's field yesterday.

Our first touchdown came when Peto Mandon blocked a forward pass, caught it, and ran it over . for a touchdown.

The second touchdown came when Adams passed to Crow on Jewell's 20. He ducked a couple of players and went over. Adams kicked both goals.

Jowell came back with two touchdowns but failed to convert. and the score stood 16-12.

A little later Crow passed to Prefessor Ginther in the clear Then for another touchdown. Crow to Alford for another, and the last, one came along when, behind some good blocking and with some open field running the Professor went over for another.

All the lads played hard and well, from Crow, Fenner, Adams, Kindred, Norbeck, Austin Smith, Alford, Duke, Mandon, and little Curly something-or-other, we don't rémember his last namo, At'center Bonjamin stocd out.

'Points scored: Adams, 6; Bonjomin, 1; Alford, 6; Ginther, 14; Mandon, 6; Crow, 6;

Vol 19 No 3 Co 491 CCC Warrenton, Oregon Monday November 6, 193

When Jewell tied Co 491 CCC on the Mudde Bowle yesterday afternoon, 6-6, they tossed 491 out of the Pasadena Rose Bowl affair.

Untied and unbeaten up to yesterday's game, Co. 491 was all set, even had reservations on the Portland Rose ordered, to go to Pasadena to play Tennesse on New Year's day.

In the major upset of the country, Jewell got all the breaks to mar 491's perfect season record.

For 491, outstanding were the line play of Mandon, Crow, Jim Kindred, Al Norbeck's cool backfield play and his tackling, Crow's passing, Alford's pass catching and pass defense, and the broken-field running of EA Ivan Ginther.

Jewell got their score on a pass over the goal line which Alford knocked down, but right into the arms of a Jewell player who was sliding on the ground. A break, indeed.

Les Smith, Charley Brantley and Ma Fenner gave a good account of themselves while they were in the game.

Touchdowns: For Jewell Van Lom.
For 491, Ginther.
Rumor has it that the Gravy
Bowl, or mayhap the hicken Bowl
Sunday dinner, really was what

threw the gridiron lads out of the Rose Bowl.

LOSE ONE, 28-25.

The Gilmore Oilers, runner-up in the State Tournament last year, nosed out our lads 28-25 last night on the WHS floor: It was

nip and tuck all the way.

The last play decided the game. We were trailing, 26-25, when Almeda was fouled. Smith, Captain, decided to take the ball out of bounds instead of shooting the fine shot. The subs on the bench, however, wolfed so loudly that he let Almeda shoot it, and miss.

What was the correct play? The correct play was the one the Captain wanted to play.

SCORE 41-39.

They finally overcame a six-point lead in the closing minutes of the game to defeat The Flashy Five last night, they did, The Unhappy Eleven. (ten players and the referee) but it took all ten men of the squad to defeat the five iron men who came within one basket of tying the affair.

In fact, there is some room for protest, as there was a basket made that wasn't counted because the scorekeeper couldn't yell loud enough to denote the end of the game. The rules say that the timer's gun ends the game, but the timer didn't have a gun, so the protest stands. If he had had a gun, someone would have borrowed it and shot the referee, so what's the difference? Summary:

RUNNERS UP.

491 lost to Dahlia Dairy last night, and ended the season in that league as runners-up for the championship. Not bad, considering we lost three of the regulars before the second half started, or shortly thereafter, and we had to play a team unused to playing together. The final score was 42-30, with Professor Ginther and Pete Mandon tied for high point honors for us with 8 points each.

RUNNERS UP.

491 lost to Dahlia Dairy last night, and ended the season in that league as runners-up for the championship. The final score was 42-30, with Professor Ginther and Pete Mandon tied for high point honors for us with 8 points each.

Last night at KAST the breadcast band made quite a few recordings of the more popular songs requested for each Saturday night. Slim and Hank made several; Nichols and Wilks made. some, and the prize one; one that will go down in history, or go down somewhere, is the one made by Lt. Parrott and Professor Ginther, It Makes No Divverence Now. It is planned that, when the rats get too numerous in the supply room, in the kitchen, or in the canteen, to play the thing on our speaker system and run 'em out. If they just don't die before they get run out, we'll be all right. Otherwise we may find buzzerds stomping up and down outside those places, picketing the place.

TOO BAD.

After starting out with a five to nothing lead in the first inning, holding a seven to two lead in the fifth inning, pitcher Blenkinship sphained his ankle on second base and had to retire, Sarge Farrell went in and was a bit wild, filling the bases, and after the smoke from the inning cleared, we were on the losing end of an 8-7 score.

LOSE GAME, WIN MORAL VICTORY. Southerners score thrice.

AT Tillamook Yesterday, the lads from Co. 491 took a small beating, 28-3 at the hands of a group of cheesemakers. Jawn started out and was roughly treated by the enemy, then Ted (Fritz) James was sent in to chuck, but the Tillamook lads turned loose a blitzkreig on him and sent him to shortstop, and then Professor Ginther we nt in and let them wear themselves down by hitting home runs, triples, e to etc etc, and when the smoke cleared, the above score, 28-3, was posted, and in effect.

Features of the game, for us, were Lt. Farrott's unassisted double play, and runs by Wood, Ginther and Brantley.

The track meet ended at 5:00 PM (past mealtime) and an armistice was signed shortly thereafter.

SOUTHERNERS WIN 7-6.

On Ye Olde lumpy Grasse Bowle yesterday, under a blazing sun in a deep blue sky and before the largest crowd ever to witness a baseball game in Warrenton, the Southerners from 491 trimmed a strong team from Astoria, 7-6.

It took eleven innings to do it, but it was done. Jawn pitched swell ball all the way, keeping the hits well scattered. The game stood 6-6 from the seventh inning on. In the eleventh, Pete mandon hit one thru short, Austin Emith bunted and made it, sending Pete to second. Professor Ginther then sent Pete home with the ball game with a screeching hit into center field.

Lt. Parrott drew No. 1, and Eastern drew Now 2, so we played. We were ahead up to the sixth inning, when they tied it up necessitating an extra inning or two.

The game as protested due to the action of the home plate umpire, who held up his hands meaning to give the count on the batter, but who uses the same signal to call time out. This caused a balk and a run to come

So, the game is protested. And, as it doesn't count, the summary won't be put in here.

LOSE TO JEWELL, 4-1.

In a Lower Columbia League game yesterday The Southerners lost a good ball game, 4-1. .

Jawn Landrum chucked nice hall, struck out eleven men, but somehow something just went wrong. Up 'till the sixth inning he gave just one hit, but a couple of errors and a few hits told the difference.

Two catches in center field by Pete Mandon were the outstandingaplays for us, while a onehanded catch of Stone's knock. by their shortstop was the best

SOUTHERNERS 13, O'BRIEN GRAM, 9. What was supposed to be a cinch victory for The Southerners on Gyro Field last night almost turned into a defeat when they played the O'Brien Gram Spruce softball outfit.

O'Brien hadn't won a game this year, and were topheavy favorites to lose by a big score, but when the sixth inning rolled around, the score stood 9-8, their favor.

At this point the Southerners decided it was time to start athings off, so, when Jawn was safe on first on an error, we really started hammering that ball. Singles, doubles, triples, home runs came in a flurry that left the opponents worn and weary and wilted, ..

When the dust had settled in the last half of the seventh inn- . ing the score was 13-9, we having made eleven runs while they got

nary a one.
Homers by Stone and Prof Ginther, a triple by Charley Brantley, and a double by Lt. Parrott drove in a flock of runs that really got things going, while Pete Mandon's four hits out of six thips to the plate helped immensely.

But it was a scare. No more overconfidence for us, no matter if we're playing Eastern, even.
